TUA VISION

A community of integrally-developed, competent, productive and socially responsible citizens contributing to the achievement of a humane society.

COLLEGE VISION

The CHTM is envisioned to be a center for excellence in Hospitality and Tourism Management producing graduates with Christian values and ideals, socially responsible, creative and professionally competent and productive entrepreneurs, managers and workers of the Hospitality and Tourism Industry.

MISSION

Through effective, creative and innovative competency-based instruction in consonance with the University thrust, the College is committed to help the industry develop a strong manpower resources that would meet the fast changing needs of the industry.

Objectives:

1. Continuously develop a competency-based curriculum as strong foundation for effective instruction.
2. Provide faculty members who are qualified and competent, committed to help develop students who are globally competitive.
3. Inculcate among students the Christian values that will serve as tools in their personal development.
4. Take active part in the country’s development, particularly, the Tourism industry or its allied fields through the development of strong manpower resources.
