## TRINITY UNIVERSITY OF ASIA

### Educational Philosophy

“Preparing for Life through God-Centered Education and Service”

### Vision Statement

A premier Christian University in Asia and the Pacific transforming a community of learners as leaders towards a humane society.

### Mission Statement

To promote the formation of integrally-developed, competent, productive and socially responsible citizens by:

- instilling Christian values in all its academic programs, co-curricular and extra-curricular activities,
- providing effective and efficient services for a quality learning environment,
- extending our ideals of service learning to our partners by empowering communities to be self-reliant and by collaborating with other institutions,
- encouraging self-improvement among employees to gain higher competence and better skills towards service excellence, and
- exercising situational and servant leaderships in the sound management of our human and material resources.

### Statement of the Core Values

#### Integrity

We uphold honesty, accountability and fairness in the performance of our tasks.

#### Excellence

We are guided by the highest standard in the performance of our duties in instruction, research and community service.

#### Teamwork

We move as one in the spirit of mutual trust, loyalty and solidarity to achieve our common goals.

#### Innovation

We courageously explore avenues to develop new programs and processes to assure the faithful achievement of our institutional goals and objectives.

#### Social Responsibility

We commit to deliver services through an integrated community development program.

## GRADUATE SCHOOL

### Vision Statement

The Graduate School develops professionals ready to face challenges, to update new trends and to implement changes in their respective field of expertise towards integrally developed, competent, productive and socially responsible citizens contributing to the achievement of a humane society.

### Mission Statement

The Graduate School in partnership with government and non-government agencies and other institutions of higher learning provides God-centered education and service, promotes effective teaching, encourages analytical thinking, intensifies capacity for functional creative research, and inculcates the spirit of volunteerism in assisting the underprivileged members of the society through outreach activities.

### Goals

The Graduate School offers programs designed for professionals facing challenges, new trends, and changes in their respective field of expertise. It aims to promote effective teaching, enlightened leadership, innovative research, spiritual nurturance and community service.

Specifically, the Graduate School aims to:

- strengthen competence in the field of teaching, administration, and supervision,
- develop students imbued with the ideals of love, freedom, and service and who are innovative, dedicated, and disciplined,
- develop entrepreneurship and to spur socio-economic growth,
- advance their knowledge, attitudes, values, and skills and be more responsive to change,
- intensify capacity for functional creative research in the broadening educational sphere, and
- inculcate the spirit of volunteerism in assisting the underprivileged members of the society.

### Objectives of Master of Arts in Nursing

1. To identify and enhance situational leadership in the service of clients in any field of nursing.
2. To inculcate the core values which are teamwork, integrity, innovation, excellence and social responsibility to the graduate students.

3. To supplement actual experience with academic competence and to inculcate humane values in caring for the client.
4. To spur social-economic growth.
5. To enhance the students' research capability.
6. To develop students' leadership capability for service to local and global communities.
